

Rio Americano Personalized Senior Parking Spot Agreement and Guidelines

Rio Americano is excited to continue the tradition of selling personalized senior parking spots. Proceeds from the sale of senior parking spots go directly towards funding the Safe & Sober Grad Night.

Pick your spot day is Wednesday, August 7. Bring your signed contract and your sketch. Meet in front of room C10 by the parking lot. We will start at 11am sharp. This is the senior schedule pick up day. 11am is during the break between the morning and afternoon pickup.

Paint Your Senior Spot Family Day is Sunday, August 18
8:00 AM – 5:00 PM (No painting will be allowed to begin after 3:00 PM)

Painting Guidelines

1. Upon arrival, check-in at the Parking Committee tent where you will confirm your correct spot.
2. Bring a copy of your approved sketch. Deviating from this approved sketch will result in loss of spot WITHOUT refund. School administration will have a copy of sketches on file.
3. Mark the boundaries of your 10 ft X 5 ft painting area for your design with blue painter's tape. All designs must stay within the 10 ft X 5 ft rectangle. Painting is ONLY allowed within 10 ft X 5 ft area. You will want to sand, sweep and prime your spot. Sanding will be key to dealing with old paint and helping the new paint and primer to adhere.
4. You may now begin painting!
 - a. You must supply your own **Exterior Semi-Gloss Enamel** paint (recommended), paint brush, rollers, trays, bucket, painter's tape, stencils, trash bags, bucket of water to rinse brushes and any other painting supplies as needed.
 - b. **You may NOT bring the following:** oil-based paint, reflective/florescent paint, spray paint, airless paint sprayers, glitter or clear coat (too slippery when wet.)
 - c. It would be helpful to bring a tape measurer and a broom (to sweep area clear before painting.)
 - d. Bring chalk to sketch your approved design before painting.
 - e. Bring supplies such as garbage bags, paper towels and rags to help cleanup spills and dispose of garbage.
5. Once you are done painting, remove border tape; gather all your painting supplies and garbage to bring home with you for disposal at home. Your area must be completely cleaned up before you leave. **There will be no disposing of garbage at Rio.**

Parking Guideline

1. I understand that the parking spot is not mine to paint until August 18. The first two days of school August 16,17 - your parking spot will have your initials painted on it by the committee as an attempt to keep it available for you. If someone parks in your spot, nothing will be done until after the 18th. I will not approach the person in my spot or ask that the person to be removed, nor will I paint my spot before the 18th. Doing so, will result in me loosing the privilege to have a senior spot and I will not be given a refund. Initial _____

2. I will provide the school with my vehicle information and will update the school if there are any changes.
